## Club News!

### Welcome New Members!

#### Josh & Cori Schultt

The Schultt's have a love for boating and being on the water together, whether it's with friends or just the two of them, it is truly their happy place. Cori is a Project Manager for The Spieker Company and Josh is Vice President at Tri State Industrial Flooring. Cori & Josh are also members of Bay View Yacht Club where they keep their 3560 Regal and have always enjoyed visiting MRYC. Cori's dad has been a member of MRYC since the 1970's so Cori grew up here. She learned to swim in the pool (before it was heated), spent every summer at the club, and learned all she knows about boating during her time at MRYC with her

dad! "MRYC has always been home to me, it was one of the few constants I had growing up that brings nothing but happy memories, so I guess you could say I'm finally home." Cori & Josh got married in September of 2021 and had their reception at MRYC, which had been a dream of Cori's since she was a little girl. Joining MRYC was always something she knew she wanted and having Josh by her side, they are so very happy to officially be a part of the MRYC family again.

**Welcome Josh and Cori!**

### Member of the Month!

**Chris Jurek** is the MRYC Member of the Month! Chris served two times as Commodore, 2019 and again in 2022. Chris served as Fleet Captain, 2015 and 2016; Rear Commodore, 2017; Vice Commodore, 20018. He serves on AYC bylaws committee and is the AYC Ecology South delegate. Just this month, Chris was inducted into the International Order of Yellow Dog, a fraternal secret society for boaters. Back at MRYC, in addition to all the above, he continues to serve by doing payroll, optimizing our use of Clover and he recently took over scheduling of employees each week. Chris has a wealth of knowledge and experience in yacht clubs and Maumee River boating. The best part is he willingly shares his knowledge and experience with others.

Thanks, Chris, for all you continue to do for MRYC!

### Commodore's Log

April is an exciting time at MRYC! The docks go in; the pool is prepared for Memorial Day opening; Opening of the port is just

around the corner. Soon we will be closing the tap room for the summer and sitting by the pool. There are bus trips to some northern clubs and we have other clubs coming to visit us.

We are always in need of volunteers to help out with the land cruises and various other activities. It's member-volunteers that enable the club to do so much for so many. Thanks to those who continue to give their time and know we are waiting for each of you to come forward and help.

The Easter brunch with three seatings is waiting for your reservations. Hope to see everyone there.....have a great spring!

Respectfully, your Commodore.

## A FEW EVENTS Last Month!

Were YOU at the club for our St. Patty's Day Bash?

This party was a huge success and it was the result of two members, **Tasha Ewert** and **DeeDee Ryan** planning and making it happen! The band, **Extra Stout**, made the evening such fun. And the St. Patrick garb on **Tim Ryan**, made by DeeDee was a real hit! All who came enjoyed the Jiggs dinner, the drinks, the music, the camaraderie and just plain fun!

This is a popular appetizer of **Sheena's** house made bruschetta and hummus with all the trimmings! You can order this for your table in the main dining room.

**Connie** at the buffet for the Maumee River Republicans who meet every month for dinner and speaker in MDR.

**Sally Perz** hosted a lunch meeting for Buckeye Charter School Boards, Inc. (BCSB). At the table is **State Representative Josh Williams** and Vice President of BCSB Board, **Eric Fankhauser**.

The newsletters as well as other important information is on the updated website ([www.mryc.us](http://www.mryc.us)). Be sure to refresh the site so you get the newly revised information!

## Member Business Spotlight!

**Nicole Knight**, MRYC member and realtor with Danberry, recently won the Danberry Heart Award. Below is the presentation speech:

This agent has her plate full all the time. She is either running around her 3 kids, running two restaurants, leading a ninjas skills group, buying more investment properties or just busy selling a couple million dollars in real estate every year. She is also always willing to open up her restaurants (a lot of the time after hours) for either a fundraiser or just a get together. She has also volunteered as the bartender for these events and has donated all of the tips to the Treasure Chest! Just recently she worked with her managers to set up a fund to help one of her fellow agents in need. *That is why I would like to give a Danberry Heart Award to*
