AUGUST:
THE BEST
OF SUMMER

Commodore's Log

Happy August everyone! I sure hope you are having a good summer. I know so many of you and your families are really enjoying the pool, drinks and good food by the pool this summer.

Just a reminder the last day for the pool will be Labor Day, September 4th so come down and enjoy the days of summer.

We are having an AYC pool party Saturday, August 5th with many other yacht clubs attending. There will be a cookout and music that day. Come enjoy the festivities. We will close the harbor that day which means no going in and out. We have 15 boats coming from Detroit beach. There may be boats rafting off. Docks will be at a premium if you're going to be gone that weekend please let Traci or me know so your dock could be used for a guest boat.

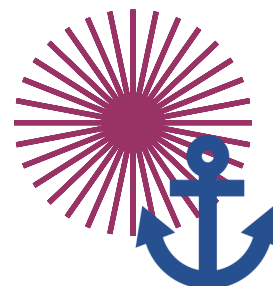

August 20th we have LEOPA visiting us. For those of you wondering what LEOPA is, they are the really fast boats out of Monroe Michigan. It's truly a site to see; please make them feel welcome....they love to come and spend money at our club.

For you boating members there are still 3 poker run regattas left- August 11th and 12th Ford, August 18th and 19th seaway, and wrapping up the season with sunseekers August 26th.

Our dining room is open for dinner Tuesday and Friday and for lunch too. I would like to thank the staff members for all their hard work.

Enjoy the rest of your summer.

Respectfully your
commodore,
Craig Stead

EXCITING JULY EVENTS!

MRYC private party business is thriving! We've held wedding receptions, professional organization dinners, birthday events, wakes, high school reunions and more. These photos show the MDR ready for the wedding reception. And it was same day as Docktails which was down on the patio. When the bride found out about the pirate-themed Docktails event, she wanted a photo with a couple of the pirates. Thanks Keri and Mike Schoen for obliging!
