

March 2024

Wow! February was a really active and successful month.

- Valentine Dinner,
- Chili Cookoff,
- Live music in MDR,
- Fish fry's,
- Bunco,
- Euchre,
- Member briefing,
- Ladies auxiliary craft night,
- Entertainment committee met,
- Membership committee met,
- Finance committee met.

And we are ending the month with the general membership meeting on Feb. 29th. I'm looking forward to that meeting!

I list our February activities because we can be proud that in mid-winter our club is strong with many options for involvement. Our food is amazing, thanks to Chef Bob and his kitchen staff; our service is the best, thanks to Connie and her staff. And thanks to the Entertainment and Membership Committees for planning many successful events for our members!

Special thanks to those of you who have supported the activities above and come to the tap room or the main dining room frequently! We are turning this club around, that's for sure. It takes all of us working together....we can do it!

Your Board is dealing with serious issues. We are solving them one by one. Remember, we inherited these issues; they are not new, just that they were not resolved, but passed on to us.

Spring is right around the corner! I can tell by the number of calls I am getting about membership, private events, docks and more.

At Your Service as Vice Commodore,

Sally Perz

Join your Vice Commodore Sally Perz for:
COFFEE, DONUTS & STRAIGHT TALK

Saturday, March 2, 2024
10:00am

Come ask questions, give your ideas, listen and learn!

"There is so much going on and being discussed. I will give you the inside scoop... and, more importantly, I want to hear your ideas!"

These member briefings are the first Saturday of each month.

February was full of FUN events:

Fr. Mark Davis, Pastor, St. Patrick Heathersowns, enjoying MRYC French onion soup!

Matt Skala and his beautiful daughters celebrating Matt's win as the best chili in the chili cook-off!!

Vicky Kwiatkowski enjoying the evening of music, great food and special friends at MRYC!

Jeremy and Nicole Horner with family enjoying the music of Chris Brown at MRYC!

We welcomed Chris Brown back Feb. 23rd for a night of dinner entertainment!

Jeff Simpson, Kelly and Ryan Parker enjoying dinner at MRYC!

Enjoying the Valentine Dinner- Dennis Fitzgerald and Linda Ozog

**Two Saturday mornings in February, America's Boating Course was held at MRYC.
The class coordinator wrote the following:**

Dear Sally,

Thanks so much for allowing the Toledo Sail and Power Squadron to hold our basic boating class at Maumee River Yacht Club recently. We were thoroughly impressed. The facility was very well set up and had everything we needed for our lessons. The dining room was spacious and had all the necessary equipment for instruction.

The staff at the yacht club were incredibly friendly and helpful, very knowledgeable and always willing to answer any questions we had. They made our job easy and enjoyable.

We look forward to holding more classes there in the future.

Thanks again!

Phyllis Zibbel

From MRYC Board Member: Tasha Ewert:

As a boater I wanted to learn the rules of the waterways. We received a book to read and took lots of notes because there were tests at the end of each class. Our instructor told many stories of how things can go wrong and how to avoid problems.

We learned about how to throw the anchor properly, the channel markers and even/odd numbers on the buoys, the importance of life jackets and vests, the list of Must haves on the boats, how to dock and tie up, horn signals, and get the Tow Boat insurance.

Thanks to MRYC and the Power Squadron for offering these classes.

Left to right: Board member, Bob Curcio, PC Terry Kelsey, PC Chris Jurek, Congresswoman Marcy Kaptur, VC Sally Perz and Board Secretary, Judy Stone at the H2O Island Project press conference.

Enjoying the Valentine Dinner-on the left, Aaron and Jaime Agnew, who we will soon be welcoming as new MRYC members! Deb Schoen-Gedert and Llinda Palmer across from them and others around the table enjoying the evening!

Schedule may change due to circumstances beyond our control.
