Club News!

Nelcome New Members:

Brad Lori Boylers

In Spring and Fall, Brad and Lori usually can be found traveling with friends. They love to learn about other cultures and their needs, all the while undertaking adventures, praising the natural beauty, and just relaxing with lifetime friends.

Brad remains actively involved in overseeing his family owned company that their two adult children run. Lori is happily retired from the same company, BCA Express Ltd., and enjoys all her spare time with their 5 grand children and elderly parents. The Bowers recently moved to a home on the river. They enjoy boating, jet skis, and watching their 5 grand children tubing on the river. They love to boat to the city docks where they enjoy concerts at the park, ball games, or just meeting their close friends for drinks. They discovered the MRYC on one such trip. They stopped in to check out the club and fell in love with all of the friendly members!

Brad and Lori are true "snowbirds" in the winter they reside in Gaylord, MI for the long winter of snow activities that Brad loves!

Their children and grands come on the weekends which Lori loves!

Welcome Brad and Lori!

Commodore's Log

May is upon us! We always look forward to this being a very busy time for our club. Our dock is filling up with boaters, soon the pool will be open. And we

are hosting the Opening of Port Memorial Day Weekend which is a spectacular event. We will be hosting a brunch from 9:00 until 1:00am to celebrate. We also have many spring events planned. I hope everyone remembers the Commodore's Ball is May 6th and we still have tickets available. Dress code is derby attire and I can't wait to see everyone dressed up! Have a safe boating season everyone.

Respectfully, your Commodore.

Member Business spotlight:

B.C.A. Express Co. was founded in 2002 by Brad and Lori Bowers. Over the past 20 years Brad and Lori, alongside their children, have worked to grow their transportation company to service the tri-state area and local municipalities. Their company was founded on the principles of faith, family, and providing quality customer service. With a humble beginning Brad and Lori attribute their

success to their family, valued customers, dedicated employees, and their faith in God.

Share information on events at the club! Send ideas for newsletter articles and features! We want to hear from you!

An Important Update:

At the general membership meeting of April 25, regular (boating) members present voted unanimously to accept the following provisions of work hours for MRYC. Why, you may ask? MRYC is one of the last clubs on the Maumee not requiring work hours.

Rather than raise dues, it was decided to introduce the concept below. It involves all regular members.

Regular Member Dock Work Hours

- Regular members will be assigned 8 hours per year or 4 hours per half valued at \$25 per hour.
- There will be 2 work hour periods per year. January 1st -June 30th and July 1st December 31st.
- Dock work is defined as time and effort given to the installation, removal, maintenance and or support of such efforts.
- Dock work will be tracked by the Harbormaster.
- Full members will be given a work hours form that they will fill out, sign and place in a provided place in the Taproom.
- The Harbormaster will approve or not approve submitted hours and leave a receipt for the Regular Member.
- The Harbormaster will submit completed work hours to the Treasurer.
- Incomplete work hours will be billed on the August and February billing.
- Any funds collected will be placed in the dock fund.
- Any Regular Member who is retired by definition of retiree status in the MRYC bylaws is exempt from work hours.
- Any Regular Member who has a documented disability is exempt from work hours.

Club Favorites!

Sheena's **homemade soups** are quite the hit. Let's take a look at what our members and guests have been ordering over the last 30 days:

Did you ever think any soups could top the MRYC French onion? Well, Sheena's homemade "soup of the day" far outnumbered orders for French onion! In fact, some of our lunch guests are requesting certain soup for the day their group will be coming to the club.

Sheena's soups include:

- Cream of potato
- Italian wedding
- Chicken enchilada
- Chicken Noodle
- Cream of broccoli with cheese
- Tomato Bisque

You might want to add a cup of soup to your next order. You also can get soup of the day to go!

#1 salad is still the Maumee, followed by the Caesar with #3 being the garden salad.

Sandwiches- wow.....the Reuben is in 4th place! #1 – grilled chicken club sandwich, #2 MRYC signature burger, #3 Beer Battered Fish sandwich and #4 the Reuben.

Let's look at the **Entrees:** Favorite is grilled Salmon, followed by chicken tender platter, then meatloaf.

Compliments have been numerous to Sheena and Sade' for awesome, high quality food!

The newsletters as well as other important information is on the updated website (<u>www.mryc.us</u>).

Be sure to refresh the site so you get the information!

How Important are New Members?

Welcome to our newest members joining MRYC in April, 2023:

Ashima Rae
Michael and Norma Fears
Greg and Dawn Trumbull
Sean and Claire Lyden

How does one become a member at MRYC?

If someone contacts you about becoming a member, here are some options for you:

- Give their name and contact information to one of the membership committee and they will follow up.....or
- Give them a member-interest packet found in the MDR in red folders.....or
- Give them the member-interest form in the back of the packet, have them fill it out, give to you to get to Sallyor

Tell them about May 21 open house, invite them, tell them you will meet them there....

Or reach out to those you think would enjoy being a member; don't wait for them to ask you!!!!

The member interest form does not obligate the potential member; it gives us an idea of what they are looking for and a little background on them. It works well as a starting point. It is NOT the actual application, that comes later.

Who's on the MRYC membership committee? Linda Palmer; Nicole Horner; DeeDee Ryan; Renea Howard; Renee Kreft; Sally Perz, Chair
