

October 2023

Happy fall everyone! **Football season** is in full swing. Come down to the tap room for all your games. We have beer and food specials. **October** is a busy month.

We have euchre and pool every **Wednesday** night . And a great evening planned for **October 5th Octoberfest** we have over 50 reservations already. Is yours in? It will be a great evening. One change is the **Change of Watch** will be rescheduled for a later date. Our annual **Halloween party** with live music is October 28. Come dressed in your best costume. Almost forgot October 7 is the **Bayview color cruise**. Anyone can participate; the boats will be stopping by at 2:00. Please bring a dish to donate. This a volunteer event and the club brings in a lot of revenue from this event. Thanks to the committees for making these wonderful events happen. We are in search of committee people- board seats- and chair positions passionate about the club. Throw your hat in the ring. On a final note **docks** will be removed November 4th electric and water will be shut off October 31. All boaters please come lend a hand. **Remember boaters** have work hours Traci will keep the list of participants.

All members we need your support of the club!

Respectfully your commodore,

Craig Stead

New Member Spotlight:

Sean & Claire

Sean & Claire (Uhl) Lyden, currently living in Monclova, are both from the Toledo area. From being high-school sweethearts, Sean & Claire have been together for almost 20 years! Sean works for his family oil company, Lyden Oil, as CFO. Sean is also an owner of True North Energy and his latest venture is a Michigan cannabis company, Green Labs. Green Labs is the closest recreational dispensary to Toledo and located in beautiful Luna Pier. Claire works as a manager at Green Labs' cultivation facility in Morenci, MI. Sean & Claire both love boating, golf, and spending time with family.

They have three beautiful children, Fiona (9), James (6), and Elliot (5). They all attend Lial Catholic School and absolutely love swimming at MRYC! In addition to the children, their family is complete with two Bernese Mountain Dogs.

Committee Update:

MRYC Committees are the backbone of the club. It's where friendships are formed and nurtured; where ideas flow and plans are made and implemented.

The **Membership/Entertainment Committee** is hard at work with final plans and detailed arrangements for **Octoberfest** in addition to kicking off the **Euchre League** and reviving use of the beautiful pool table in the tap room. Then the committee will focus on November and December events as listed. There is always room for more members to get involved in this committee.

Please call or text Sally Perz, 419-356-8050

That committee will split off into two separate committees soon and both work for increased member engagement. Join in.....really it's fun!

The **Bylaws Committee** is still plowing through the bylaws, hoping to complete soon and be able to present to the Board and the membership. We all know change is needed!

Nominating Committee is preparing the slate of officers and board members for election by the membership.

We ♥ our Volunteers

Big thank you to Herb & Deb!

Deb Rasmusson and her husband **Herb Hoskins**, joined in 2018, and have given countless hours in so many ways to MRYC. Here are just a few examples of their generosity:

Deb joined the Ladies Auxiliary to support the club by helping out with things, raising funds for club needs –it has a purpose while having some fun. Deb is currently President of Ladies Auxiliary

Herb has helped take the docks out in the Fall and put them in in the Spring every year since joining

Both Deb and Herb have volunteered at the Regattas, White parties, Spin and Win, Trunk or Treat, Easter brunch (2023). Deb recently joined the by-laws committee to take a good look at the Club's by-laws and do some updating that can then be presented to the Board and members. Deb comments: *"We are all busy, but if each of us figured out how we could help out by volunteering just a couple hours a month – it would go a long way towards a vibrant, fun, successful club."*

When not at the club – Herb is happily/busily retired, plays the bass with another member Pete Gerhardinger and his band, volunteers while Deb is Chief Operating Officer with Sunshine Communities.

Did You Know? October Events...

Octoberfest

October

5

Let's Meet the Committee Chairs:

Thanks to **Linda & Lori** for Co-Chairing this year's October fest! These two MRYC members put a great committee together and have handled all the details of a very successful event!

The reason I am involved with the OCTOBERFEST 2023 is the event was so much fun last year! Why not do it again this year? Last year we had a fab OCTOBERFEST 2022 committee and this year we have another great committee. I'm all about celebrations! So, I encourage everyone to get their reservations in. It's going to be a fun evening!

Linda Palmer

Lori Bowers

Lori attended Octoberfest in Munich. She loved her experiences there and wants to share those with MRYC. "Everyone has FUN! Lots of laughter and of course, BEER!"

Board member, Judy Stone on her way to board the Glass City Pearl at an event held at MRYC.
